Highlights

- **Rye bread** is now our best seller, overtaking sourdough for the first time since we opened.
- The **Market Square** shop matched Harbor Street for the quarter after the new morning opening hours.
- Cold brew sales doubled in July and stayed strong through a warm September.

The oven replacement at Riverside closed that shop for four days in August, which explains the dip.

Costs

Flour prices rose 7% in August. Butter stayed flat. Wages grew with the two new weekend bakers, and energy costs fell after the Riverside oven swap. Gross margin held at **61%**.

Next quarter

1. Launch the seasonal menu on 15 October: pumpkin loaf, spiced buns and a chestnut tart.
2. Trial Sunday opening at Riverside for six weeks and compare footfall.
3. Move wholesale invoicing to the new system before the end of November.
4. Train two staff on the new laminating machine so croissant output can grow.
